

## Field Trip Competition

Group Name \_\_\_\_\_

Participants (no more than 4 per group) \_\_\_\_\_

.....

We are going to have a competition while at \_\_\_\_\_. As you walk around, keep an eye out for the items listed below. You will post your observations on a Padlet designated for this field trip. The Padlet we will use is: [www.\\_\\_\\_\\_\\_](http://www._____). Therefore, within your group you need at least one person with internet ability on their mobile device. Each post needs to include the **Group Name** to be considered for points. The team with the most points at the end of the day wins. (\*\*\*)Disclaimer: If anything inappropriate is posted on the Padlet, your **entire team** will be disqualified and held responsible. (\*\*\*)

Item	Points Possible	Points Earned (to be entered by teacher)
Math Concept	1	
Picture of a Math Concept	1	
Describe Math Concept in Picture	1	
HS Geometry Math Concept	2	
HS Geometry Picture of Math Concept	2	
HS Geometry Picture Description	2	
Write a question to go along with the found math concept	3	

In order to get points for your group, your group's name needs to be on EACH post!
